

## ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

### **NOTICE AND ACCESS NOTIFICATION TO SHAREHOLDERS**

You are receiving this notification because Freegold Ventures Limited (the “**Company**”) has decided to use the notice and access model for delivery of proxy solicitation materials to its shareholders for its Annual and Special Meeting of its shareholders (the “**Meeting**”) to be held on June 27, 2025. Under notice and access, shareholders still receive a proxy or voting instruction form enabling them to vote at the shareholders’ meeting. However, instead of a paper copy of the management information circular (the “**Information Circular**”), as well as the annual audited financial statements and the management’s discussion and analysis (collectively, the “**Meeting Materials**”), shareholders receive this notice with information on how they may access such materials electronically through a website and on SEDAR+. The use of this alternative means of delivery is more environmentally friendly as it will help reduce the amount of paper used, and it will also reduce the cost of printing and mailing proxy materials to shareholders. Under notice-and-access, meeting related proxy materials will be available for viewing for up to 1 year from the date of posting, and a paper copy of the material can be requested at any time during this period.
